

Camden County Heritage Museum & Historic Jail

Welcomes all school-age learners!

About Us

Our museum celebrates Camden's history, stretching from Indigenous People to the Colonial era and the Civil War period through World War II interpreted through stories, artifacts and talented docents. Exhibits highlight Moses Grandy, Dismal Swamp Canal, moonshining, education & more. The historic Jail, built in the 1920s, features the original bullpen cells and county record books from the 1800s.

Camden County High School, Built in 1926

- Welcomes all school-age learners!
- We invite you to request a guided visit led by trained Museum educators and volunteers.
- You may also request a self-guided visit, which allows you to lead your own students through the Museum.
- Educators are welcome to visit us to see how our museum and historic jail can enhance their lessons and students.
