Re: Camden County Tourism Development Funding

On behalf of the Camden County Tourism Development Authority, I am requesting you provide a written report to the TDA outlining how your organization/event used the 2013/2014 TDA Funding. This report should be received by me no later than April 30, 2014 and include the following information:

- Estimated Attendance
- Total budget showing revenues & expenditures
- Potential Growth of Events
- Estimated Overnight Stays
- How TDA money was spent

Please note that all future funding is dependent upon completion of this report and will be required for the current year. Contact me with any questions you might have.

Sincerely,

Donna Stewart,
Camden TDA Chair
