Item 4.A - Special Use Permit Preliminary Plat Joyce Landing

Planning Director Dan Porter reminded the Board of the public hearing previously held with regard to this Special Use Permit. He states that he does not recall any negative comments from that hearing and asks for any questions. No questions were asked.

Commissioner Sandra Duckwall made a motion to approve the Special Use Permit Preliminary Plat Joyce Landing – 18 lots Major Subdivision (UDO 2013-05-03). The motion passed 4-0 with Chairman Garry Meiggs, Vice Chairman Michael McLain, Commissioner Sandra Duckwall and Commissioner Randy Krainiak voting aye; no Commissioner voting no; Commissioner Clayton Riggs absent; and no Commissioner not voting.

Item 4.B - Temporary Debris Reduction Site (TDRS)

The planning director Dan Porter proposed the board allocate approximately \$125,000 from general fund reserves to provide a solution for 3-5 years to an annual problem of preparing for a major storm event. The proposal is the clear 8 – 10 acres of the county owned Nobblit property and to build a gravel access road to prepare a suitable site for temporary debris collection and reduction during the recovery from a major storm event.

Mr. Porter informs the board he has been talking with some contractors and believes he can get clearing costs down from \$5000 to \$4000 per acre. He also figures the county can save money by mowing in house using part time staff at about 10-12 hours 4-5 times per year.

Commissioner Duckwall expresses her concerns in spending a large amount of money not in the budget and that since we have three other approved sites she would like to hold off until this can be placed into the budget.

Vice Chairman McLain asks how this will or will not affect any plans the school may have for this property as it was originally purchased for the school.

The County Manager Mike Renshaw informs the board he will recommend a joint meeting between the school board and the board of commissioners.

Commissioner Krainiak hopes that a property owner in Camden will come forward to offer the County a lease, commenting that using the Nobblit property would create an eye sore at the focal point of the county.

After much discussion Commissioner Duckwall made a motion to differ this item until the next budget session. The motion passed 4-0 with Chairman Garry Meiggs, Vice Chairman Michael McLain, Commissioner Sandra Duckwall and Commissioner Randy Krainiak voting aye; no Commissioner voting no; Commissioner Clayton Riggs absent; and no Commissioner not voting.
