Tom White, Chairman  
Camden County Board of Commissioners

Dear Mr. White:

Skills, Inc., your non-profit community rehabilitation program, has been serving your disabled population, employers, and purchasers of products and services for 37 years. We request consideration for funding for FY2019-20 for the amount of \$500; any contribution will be gratefully accepted.

Thirty-five clients have been placed in competitive employment from April 1, 2018 to March 31, 2019; Skills hired 16 (59%) of those for our various custodial contracts.

Not only do we place our clients in competitive employment in the community, as our business expands, we also provide them with job opportunities. We are the area's largest employer of the disabled. Skills is a much needed service available to your current residents as well as those thinking of moving into your community who need this program.

If you know of someone who could benefit from our services in your area, please contact us or a referring agency. You can also help support our mission by being advocates for your local disabled citizens by encouraging and promoting the hiring of this very capable population. Job matching and job coaching, which we do, is key to their success.

We appreciate your role in helping us to make a positive impact in this community. You and the Commissioners have a standing invitation to visit the CRP at any time. If you would like additional information or a presentation, please don't hesitate to call or contact us via e-mail.

Yours truly,  
  
 Kirk DeVine, Executive Director

**Resolution 2019-07-01 Approving Financing Terms**

*WHEREAS:* Camden County (the "County") has previously determined to undertake a project for the financing of a fire truck, (the "Project"), and the Finance Officer has now presented a proposal for the financing of such Project.

**BE IT THEREFORE RESOLVED, as follows:**

1. The County hereby determines to finance the Project through Community First National Bank. The amount financed shall not exceed \$507,824.00, the interest rate shall not exceed 3.65% and the financing term shall not exceed 10 years from closing.
2. All financing contracts and all related documents for the closing of the financing (the "Financing Documents") shall be consistent with the foregoing terms. All officers and employees of the County are hereby authorized and directed to execute and deliver any Financing Documents, and to take all such further action as they may consider necessary or desirable, to carry out the financing of the Project as contemplated by the proposal and this resolution.
3. The Finance Officer is hereby authorized and directed to hold executed copies of the Financing Documents until the conditions for the delivery of the Financing Documents have been completed to such officer's satisfaction. The Finance Officer is authorized to approve changes to any Financing Documents previously signed by County officers or employees, provided that such changes shall not substantially alter the intent of such documents or certificates from the intent expressed in the forms executed by such officers. The Financing Documents shall be in such final forms as the Finance Officer shall approve, with the Finance Officer's release of any Financing Document for delivery constituting conclusive evidence of such officer's final approval of the Document's final form.
4. The County shall not take or omit to take any action the taking or omission of which shall cause its interest payments on this financing to be includable in the gross income for federal income tax purposes of the registered owners of the interest payment obligations. The County hereby designates its obligations to make principal and interest payments under the Financing Documents as "qualified tax-exempt obligations" for the purpose of Internal Revenue Code Section 265(b)(3).
5. The County intends that the adoption of this resolution will be a declaration of the County's official intent to reimburse expenditures for the project that is to be financed from the proceeds of the Community First National Bank financing described above. The County intends that funds that have been advanced, or that may be advanced, from the County's general fund, or any other County fund related to the project, for project costs may be reimbursed from the financing proceeds.
6. The County intends that the adoption of this resolution will be a declaration of the County's official intent to approve a banking relationship with Community First National Bank for this financing, and deposit accounts as needed as determined by the County Finance Officer in compliance with statutes.
7. All prior actions of County officers in furtherance of the purposes of this resolution are hereby ratified, approved and confirmed. All other resolutions (or parts thereof) in conflict with this resolution are hereby repealed, to the extent of the conflict. This resolution shall take effect immediately.

Approved this the 8<sup>th</sup> day of July, 2019.
